

## Round, Round the Christmas Tree

Round, round the Christmas tree,  
Gather round and you will see  
Santa's been here yes siree,  
Round the Christmas tree

There's my electric train.  
Daddy, there's your watch and chain  
Grandpa's got a brand new cane,  
Round the Christmas tree.

Sister, there's your evening gown.  
Tom, your teddy bear.  
Santa sure was good to us,  
Left presents ev'rywhere.

### *Chorus:*

*Round, round the Christmas tree,  
Gather round the Christmas tree.  
Let's all sing so merrily,  
Round the Christmas tree (repeat).*

Mom's got a check to spend,  
Auntie's got a new boyfriend.  
Brother's bike is just the end,  
Round the Christmas tree.

There's a gift for uncle joe,  
Somethin' he can wear.  
Looky, here's what grandma got,  
An easy rocking chair.

### *Chorus*
